

Press Release

Issued by Frank & Lisa Cornelissen
Martinborough Camping Ltd.
12th April 2007

Legal action between the Considine Park Committee (Plaintiff), South Wairarapa District Council (First Defendant) and Martinborough Camping Limited (Second Defendant) was resolved at a settlement meeting in the High Court in Wellington on Monday 2nd April 2007.

We are relieved to be able to put this legal action behind us and move on with our plans for Martinborough Village Camping. We are satisfied with the agreement between all parties, which will have a minimal impact on our ongoing business.

Once again we would like to thank the many guests and Martinborough residents who have given us their support since we opened and look forward to welcoming many more visitors to Martinborough in the future.
